No 3. of the SEW series 09/10

Speakers:

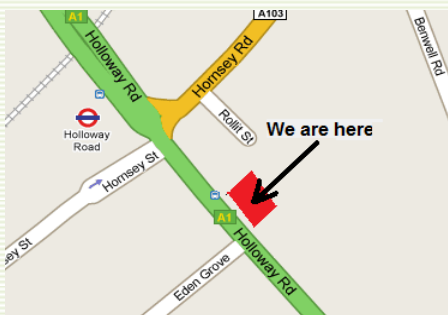

Michael Beaver is the Head of Finance at BATS Europe. He started his career working for PwC in 1990s specialized in Financial Services companies, particularly pension funds and assets managers. Since leaving PwC in 2002, he has worked in various finance roles for Aviva, HSBC and Lehman Brothers. In 2008, he was hired as the head of Finance for a Finance Technology start-up called BATS Trading.

Jaskaran Kalsi is the Technical Manager from Cisco Networking Academy. His role varies from providing technical assistance to regional academy management teams to supporting the academy structure, quality assurance, and the networking academy course testing and development.

Sedef Buyukataman is the University Relations Manager for Europe & Emerging Markets from Cisco Networking Academy. She has a wealth of knowledge of up-to-date information on career opportunities and current market demands.
