## FoC student team 'Brain Wave' in "Challenge: Future" Semi-final!

challengefuture global student competition

Anvar Nazarov (Team leader), Lawal Muhammad, Ivan Abrossimov and Farli Meng have successfully reached the semi-final in the "Challenge:Future" Global student competition. The team has presented the original solution "ushare: Future Connections Service" in the first round of the "Call Me in 2020 Challenge" part of the competition under the mentorship of Dr Yanguo Jing Senior Lecturer of FoC. The idea is to facilitate prosperity via world communications by combining physical and digital worlds which was highly ranked by public voting. Let us wish them luck in the finals to be held in Feb 2010! You can support the team by registering to the competition Website and vote for their idea at:

## Recruiting LondonMet Student Ambassadors: Application Deadline- 29th January 2010

Great opportunity to meet new people, gain valuable experience and earn some extra cash! The Department of Student Recruitment and International Development is employing current students to act as ambassadors for the University, supporting Open events and activities run in conjunction with local schools and colleges. If you would like to apply or require any further information about becoming a Student Ambassador please visit [http://bit.ly/LondonMet\\_Students\\_Ambassadors](http://bit.ly/LondonMet_Students_Ambassadors) Contact Emma Levy on 020 7320 2322, [e.levy@londonmet.ac.uk](mailto:e.levy@londonmet.ac.uk).

We look forward to hearing from you!

## ELBA IT Club: For 2nd and Final Year Technology Students Living in Tower Hamlets! Deadline: Monday 1st February 2010

Business Alliance (ELBA) works with companies which recruit into finance, law and insurance.

Their ELBA IT Club offers -

- High quality training in areas identified as useful by employers
  - Networking opportunity at a major company in Canary Wharf
  - Information about the range of jobs available within the company
  - Help with CV and job applications
  - Access to job opportunities and training through the ELBA employment team
- ELBA will be organising five workshop sessions to be held on: Wednesday afternoons from 1.30pm-5.00pm on February 17th, 24th, March 3rd, 10th and 17th.

If you would like to apply please send your CV along with a covering letter on "what you hope to gain by joining the IT Club" and "why we should choose you" to: [Rohima.Begum@elba-l.org.uk](mailto:Rohima.Begum@elba-l.org.uk)

## Final Year Undergraduates - BE HEARD! NSS 2010 starts on 8<sup>th</sup> Feb.

Are you a final year BSc, FDSoc or a HND student? Do you want your opinions about your University experience to be heard? Take part in the National Student Survey 2010 - there are **great cash prizes to be won** if you complete it online. All eligible students will be contacted by Ipsos MORI by email and/or telephone during the week commencing 8<sup>th</sup> February to fill in the survey online. Alternatively, go directly to <http://www.thestudentsurvey.com/> to find out more and fill it in online.

**Did we respond to your feedback?** - Yes, we did. See Faculty of Computing response to your last NSS2009 feedback at:

[http://www.londonmet.ac.uk/depts/cctm/student\\_pages/feedback\\_response.cfm](http://www.londonmet.ac.uk/depts/cctm/student_pages/feedback_response.cfm)
