Dear author,

your paper (Ms.-Nr. 1019/119-06¹)

Zhanyuan Hou:

Global attractor in competitive Lotka-Volterra systems

will be published in the *Mathematische Nachrichten*.

If you did not already send us your manuscript in TEX typeset according to the “Instructions of Authors” in the mn-style file, we would like to ask you to do so. LATEX files coded with the mn-style file are available via <http://www.wiley-vch.de/berlin/journals/mn/public/mn.zip>. Please send us the TEX file of your paper together with a DVI, PDF or PS translation via e-mail as attachments to the following address:

Math.Nach@mathematik.uni-regensburg.de.

Thank you for your contribution to the *Mathematische Nachrichten*!

With best regards,
yours sincerely,

(Reinhard Mennicken)
