

CoAxial Donation Appeal

photograph by David Harrison

The themes in *CoAxial* of family, landscape, memory and journey have been brought into sharp focus by the experiences of Europe's many refugees and migrants. I have now visited the camp at Calais twice and it is impossible not to feel driven to help the plight of the inhabitants, especially as winter approaches.

During the *CoAxial* exhibition, we will be collecting donations of **winter footwear only: men's sturdy shoes, boots, wellies and socks.**

If you can help please bring along your boots & shoes to the Cass during the opening times of the exhibition, or on the launch night, we will have a place for you to leave any thing you can give.

At the end of the exhibition I will deliver the donations to the Calais Warehouse to be distributed from there.

If you would like to help please look up the CalAid Face book page or come to Calais to help with the next Big Clean Up on Sat 21 November.
