What to expect at our information fair

Accommodation: Our accommodation team will be on hand to answer questions relating to living options, costs and how to apply.

Admissions: Our admissions team is available to offer advice on courses and your application.

Advice, information and funding: Don't know where to start when it comes to funding your studies? Our experts are here to help, so pop along and have a chat.

Careers Service: Our careers team will be here to discuss where your degree could take you as well as work opportunities available whilst studying.

Disabilities and Dyslexia Service: Our support team can provide guidance for anyone with a disability or Specific Learning Difference, those who are deaf or hard of hearing, blind or partially sighted, as well as anyone with long-term health conditions or mental health difficulties.

Library Services: A member of our Library Services team will be able to talk to you about the wide range of resources we have to support you.

Student wellbeing: Our specialist support team is able to provide advice and guidance to parents, mature learners, young adult carers and care leavers. Pop into the student wellbeing zone to make an appointment.

Our five star Student Promise

Our five star Student Promise exists to boost the learning experience and employment outcomes of our graduates. It includes five initiatives that will benefit students both during and after their time here.

 **Get to work:** At London Met you'll have access to work-based learning opportunities that will count towards your degree. This will involve real work experience while studying to give you practical knowledge and skills on top of your academic qualification.

 **Earn it back:** All relevant work opportunities on campus are offered to our students first, as part of our aim to recycle as much of your fees back to you as possible.

 **Shape your course:** Our modules will be assessed in real-time by students, meaning you can make a difference to the teaching you receive.

 **Take our investment:** We'll support you, with £1,000 cash bursaries available each year for students who qualify for the full Maintenance Loan.

 **Boost your potential:** Students at London Met benefit from additional support offered by second and third year students on their course.
