## Remember

If you have not already applied to London Met, this is your chance. All you need to do is complete an application form.

## Investing in your future

### First-rate teaching

You will be inspired by an international body of lecturers actively engaged with world-class research.

### Shaping your career

Over the last two years, London Met has trained over:

- 430 social workers and health professionals
- 450 technologists
- 590 lawyers
- 600 architects
- 430 teachers
- 880 scientists

### 160 nationalities

We are proud of our diverse student body consisting of over 160 nationalities – we encourage you to join regardless of age or background.

### Urban locations

Our campuses can be found in some of the most exciting areas of London.

### Investment in facilities

We're committed to providing you with the best facilities and will continue to invest in your future. Our £30 million science centre, journalism room, TV and recording studios, mock courtroom, Bloomberg terminals and Metropolitan Works, our digital manufacturing centre, are just a few of the facilities that we offer.
